	*** Field Experience Options:**	
	ESP 754 can be taken in any of these three semesters	
	Students have the option of taking ESP 639 or ESP 754 depending on whether or not CAL U is supervising their practicum hours needed to sit for the BCBA exam or they are being supervised privately.	
	For students who are being supervised by CAL U, they can take up to nine hours of ESP 754 in order to accumulate enough supervised hours to sit for the BCBA exam. These students can graduate with up to 39 credits.	
	Students who are being supervised privately will not take ESP 754 but instead will take ESP 639. These students will graduate with 33 credits.
