August 1, 2013

The Office of Academic Affairs is now accepting instructor applications for the 2014 Summer Educational Enrichment for Kids (SEEK) program held annually at California University of Pennsylvania.

Final session dates for the SEEK day camp are being determined and will be announced soon. Session dates will be either June 16-20, 2014 and June 23-27, 2014 or July 28-August 1, 2014 and August 4-8, 2014. The program will run from 8:30am to 4:00pm daily.

Classes will be offered according to the following three age groups: grades 1 and 2, grades 3 through 5, and grades 6 through 8. There will be four different time slots for available classes; each class will be 90 minutes per day. Grades 6-8 class times can be extended, if class proposals merit the additional time (ie, full morning or full afternoon).

If you are interested and the course material is appropriate, you may submit to teach all grade levels. We do not have a theme slated for SEEK 2014. Please be creative in designing classes and please keep in mind the age groups targeted. We want children to be challenged and engaged yet we want them to have fun while learning. If you taught a course last summer, please submit new/revised course proposals so that content remains fresh (many of our students attend every summer).

To be considered, completed applications and class proposals must be submitted no later than December 20, 2013. Additionally, all instructors will have direct interaction with children and therefore must have current (not more than one (1) year old) Pennsylvania State Criminal Background (Act 34), Child Abuse (Act 151), and Federal Criminal History Record (Act 114, Fingerprinting) clearances.

In accordance with the APSCUF contract, Cal U faculty members will be given first preference for teaching in this program.

Please feel free to contact me at (724) 938-1584 or seek@calu.edu if you have any questions.

Best regards,

Jodie Rooney
Academic Events Coordinator
