Certifications

All staff, paid and unpaid, who may have direct contact, interact with, treat, supervise, chaperone, or otherwise oversee minors must have the following satisfactory background clearances in accordance with Pennsylvania’s Child Protective Services Law, 23 Pa.C.S. §6344. Notwithstanding any requirement or interpretation of the law otherwise, contractor employees providing services such as janitorial, food service, and bookstore contractors or others as designated by the University are hereby considered as meeting the scope above and require background clearances. The Responsible Organization will maintain records of the clearances and the University will have the right to review the clearance files to validate that there is no disqualifying information. All clearances must be renewed every three years and include:

i. Pennsylvania State Police Criminal Record Check;
ii. Pennsylvania Department of Human Services Child Abuse Clearance; and
iii. Federal Bureau of Investigations (FBI) Criminal Background Check.

Exception for Volunteers-- A person responsible for the selection of volunteers under this chapter shall require an applicable prospective volunteer prior to the commencement of service to submit only the information under items (i) and (ii) above, if the following apply:

(1) The position the prospective volunteer is applying for is unpaid.
(2) The prospective volunteer has been a resident of this commonwealth during the entirety of the previous ten-year period.
(3) The prospective volunteer swears or affirms in writing that the prospective volunteer is not disqualified from service pursuant to Pennsylvania’s Child Protective Services Law, 23 Pa.C.S. §6344(c) or has not been convicted of an offense similar in nature to those crimes listed in section 6344(c) under the laws or former laws of the United States or one of its territories or possessions, another state, the District of Columbia, the Commonwealth of Puerto Rico or a foreign nation, or under a former law of this commonwealth.

Further, all staff, paid and unpaid, who may have direct contact, interact with, treat, supervise, chaperone, or otherwise oversee minors must provide written notice to Eric Guiser, Director of Human Resources at California University if listed staff are: 1) arrested for, or convicted of, a reportable offense (listed below) that would constitute grounds for denial of employment or participation in a program, activity, or service; or 2) named as a perpetrator in a founded or indicated report of child abuse. The Responsible Organization shall require listed staff to provide written notice within 72 hours of arrest, conviction, or notification that the person has been listed as a perpetrator in the statewide database. The Responsible Organization will also notify the following person at the University of any such reports: Eric Guiser, Director of Human Resources at California University.

If the Responsible Organization has a reasonable belief that staff, paid and unpaid, who may have direct contact, interact with, treat, supervise, chaperone, or otherwise oversee minors has been arrested or convicted of a reportable offense or was named as perpetrator in a founded or indicated report, or if staff, paid and unpaid, who may have direct contact, interact with, treat, supervise, chaperone, or otherwise oversee minors has provided notice of activity that would be sufficient to deny employment or program participation, the Responsible Organization must immediately require the staff to immediately submit current information as required for the three background clearance checks listed above.
