POLICY: Undergraduate Credit for Graduate Course

A. Purpose & Scope:

B. Definition(s):

C. Policy:
Undergraduate students may enroll in graduate courses for undergraduate credit if they meet the necessary requirements for those courses. Individual departments determine the prerequisites for each course. Graduate status may be a prerequisite for admission to some courses. Graduate credits used to fulfill undergraduate requirements may not also be used to fulfill requirements in a graduate program.

D. Procedure(s):

E. Effective date: 2005-2006 Undergraduate Catalog
Updated date: August 15, 2010
Amended Date:
