

COMPREHENSIVE EXAMINATION

California University of Pennsylvania
School of Graduate Studies
Comp Exam for May, August, or December

Candidates for the Master's degree, who are contemplating the completion of all degree requirements must notify their department of their intent to take the Comprehensive Examination by completing and returning this form to their department.

Candidates for graduation must complete their Comprehensive Examination.

For those who have not taken the Comprehensive Examination, please contact your individual department as to the date, time, and place of the examination.

PLEASE NOTE: All students must have a 3.0 QPA in order to be eligible for the Comprehensive Examination.
