Services for students with Learning Disabilities: The CARE Project has two programs available to provide services to students with learning disabilities. It is the student's responsibility to contact the CARE office at (724) 938-5781 for information about application procedures, services, and required documentation. Students are encouraged to contact the CARE office prior to starting classes.
Services for students with all other Disabilities: It is the student's responsibility to contact the Office of Services for Students with Disabilities (OSSD) at (724) 938-4012 for information about services and required documentation. Students are encouraged to contact OSSD prior to starting classes.
All other questions regarding academic and student services may be directed to the Cal U Southpointe Center office at 1-888-333-CALU or (724) 873-2760.
