TERM PAPER

1. Select a particular therapeutic approach you would like to emphasize.
   A. Discuss the basis for this preference.
   B. Discuss any facets which you consider to be drawbacks within the approach.
   C. Discuss alternative approaches and why you find them to be less appealing.

2. Paper will be evaluated considering the following criteria.
   A. The degree to which you integrated discussion from a, b, & c under #1. (See above) – 8 pts.
   B. The degree to which your comments are accurate regarding statements you make about the preferred and non-preferred approaches. – 7 pts.
   C. Technical Quality – length of paper, spelling, coherence of writing. – 5 pts.

• Paper is due on December 14, 2000
