APPENDIX D  
SCHOOL PSYCHOLOGY PROGRAM  
California University of Pennsylvania  
Intern Evaluation Form  
Client/Consumer Satisfaction Survey

**Introduction:**
The School Psychology Program would greatly appreciate your input concerning the quality of services provided by our intern. This information is useful in determining the intern’s mastery of skills and his/her readiness for certification as a school psychologist. You may evaluate more than one area/skill and be candid as the information you provide may be useful in providing recommendations that will foster intern growth and development.

Use the following rating scale to evaluate the intern’s progress/competency in one or more of the areas listed below. In the comments section, feel free to elaborate or discuss additional areas not addressed below.

OUTSTANDING = 3  ABOVE AVERAGE = 2  SATISFACTORY = 1  UNSATISFACTORY = 0
