Dear __NAME____________

Thank you for supervising the practicum experience of __GRAD STUDENT’S NAME__ who is a graduate student in my course Seminar in Behavior Modification with Practicum. Please complete the following form on the student you have supervised and mail this page to me by April 22nd. I will provide feedback to my student. You are welcome to review this information with the student if desired. Your willingness to participate in this practicum experience is greatly appreciated. Experiences such as this strengthen our School Psychology Program.

Yours truly,

Gail S. Ditkoff, Ph.D.
Professor
Psychology Department

Please use the following rating system:
NA - Not applicable or not enough information to form a judgment
1 - Below expectations - needs much improvement, a concern
2 - Acceptable - meets expectations at an average level
3 - Above expectations - performs above an average level, a strength

Rating
_____ Maintained confidentiality of information
_____ Attempted to remain unobtrusive
_____ Exhibited objectivity; was open to suggestions
_____ Behaved in a professional manner
_____ Dependability/punctuality
_____ Skill as an interviewer
_____ Oral communication skills
_____ Provided you with helpful/useful insights concerning your student’s behavior

Overall rating: (Please use the scale above) ________

Please use the back of this sheet to provide any additional comments/suggestions that would improve this practicum experience. If the graduate student performed below expectations, please specify the area in need of improvement and suggestions for improvement.
