The Academic English and American Culture program is designed for international students who wish to enhance their English language ability and/or plan to study in the United States during their academic career. The program also will serve as an introduction to the United States and its culture.

ABOUT US: California University of Pennsylvania is located on 294 acres in the borough of California, Pa., just 35 miles south of Pittsburgh on the banks of the Monongahela River. We welcome students from around the world, and it is our desire to assist you in making your educational experience with us as personally enriching for you as possible.
