

## **Frederick Douglass Institute Subcommittees**

### **I. Events Subcommittee**

#### A. Purpose:

- The Events Subcommittee will plan one or two big events featuring nationally recognized speakers and performers to speak on campus for the Frederick Douglass Institute.
- The purpose of the Events Subcommittee is to encourage and increase awareness about multiculturalism throughout various divisions of the University.
- The Events Subcommittee will coordinate the programming and activities of the Frederick Douglass Institute throughout the academic year, particularly during Black History Month and Women's History Month.

B. The Events Subcommittee will also work with other groups on campus to encourage a better understanding of diversity by co-sponsoring their activities. If you are interested in participating or assisting with this subcommittee, contact Dr. Burrell Brown at [Brown@calu.edu](mailto:Brown@calu.edu) or 724-938-5991.

### **II. Frederick Douglass Institute Visiting Scholar Subcommittee**

#### A. Purpose:

- The Frederick Douglass Institute Visiting Scholar Subcommittee will develop a process to select possible candidates for the Frederick Douglas Visiting Scholar position. The criterion for evaluation will also be developed.
- Consult with University departments to coordinate hosting the Frederick Douglass Institute Scholar.
- Advertise the Frederick Douglass Visiting Scholar position in various publications.
- Develop a budget for the Frederick Douglass Institute Visiting Scholar Program.

B. If you are interested in participating or assisting with this subcommittee, contact one Dr. Caryl Sheffield at [Sheffield@calu.edu](mailto:Sheffield@calu.edu) or 724-938-4135.

### **III. ARTS (Advocacy, Research, Training and Service)**

#### A. The ARTS Subcommittee will develop activities focusing on:

- Scholarly research on multiculturalism.
- Multiculturalism workshops and seminars.
- Community service; this will include outreach activities including, but not limited to, instructing public and non-public school teachers on multiculturalism and the development of a deeper appreciation of the value of diversity in our society.
