Campus Resources Every Student Should Know About

Tutoring Services- Even the best of students may need academic help at some time during college. The Tutoring Services, Writing Center, Reading Clinic, and Math Lab offer no-cost assistance and are designed to help students perform at their academic best. The Tutoring Center is located in Manderino Library, Suite 430. The Math Lab, Reading Clinic and Writing Center are found in Noss Hall.

Scheduling Center- The Academic Scheduling Center is located in 210 Noss Hall and is “home” to the Students Success Facilitators. The Student Success Facilitators assist students with course scheduling needs as well as provide academic guidance and support.

Health Center- The Student Health Center is located on the first floor of Carter Hall. A medical director, nurse supervisor, certified registered nurse practitioner and registered nurses, staff the Health Center. Services are free to students and include medical treatment, referrals, and healthy lifestyle education.

Computer Labs- Even if a student brings a computer to campus, it’s important to know where the computer labs are located. There are computer labs in every residence hall, in the Commuter Center, and also in the Instructional Computer Facility (ICF) in Noss Hall. Students have access to any of the network services on campus. Printers and scanners are also available.

UTech Help Desk- The University Technology Services Help Desk is ready to assist faculty, staff and students with your computing concerns and questions. Located in Noss Hall, Room 219, if you need any assistance please call the Help Desk at 724-938-5911 or send a e-mail to UTechRequests@calu.edu. Also you can visit their Frequently Asked Questions page for answers to the most commonly asked questions.

Career Services- Cal U students can have a Career Advantage! Did you know that every student has his/her own assigned Career Advisor? Students should begin working with an advisor beginning in their Freshman year. The Career Services Office, located in Eberly 230, offers comprehensive services including help with choosing a major, job shadowing, mentoring, internship opportunities, resume assistance, and much more.

Academic Department- Every student should know where the academic department of their major is located. This is the place where faculty advisors’ offices reside. Faculty advisors have assigned office hours each week and students are encouraged to take full advantage of the opportunity. Meeting regularly with their faculty advisor is important to optimum academic planning and course scheduling.

Manderino Library- The Manderino Library provides students with a variety of services and opportunities for research assistance, information literacy education, study space, and fun. The library serves as the campus research center; students can come in to both find information for research assignments—in print and electronic form—and also talk to the librarians to learn about the various research tools available to the campus. Additionally, it provides study space for individuals and large group projects, as well as a variety of recreational and fun activities throughout the semester. This includes a popular “Gaming Week” that takes place before finals each term.

Cal U Resource Network- Navigating the University isn’t always easy for students and questions come up along the way. Where do students go when they don’t know where to go? They head to Student Affairs Resource Director, Ms. Laura Jeanerette! Self-described “Switchboard with a Sense of Humor” Laura aptly connects students to appropriate resources and provides referrals to services, offices, and programs campus-wide. The Student Resource Network office is moving from Natali 234 to Natali 336 as of Monday, August 6th.
