

Dear CALU Alumnus or Employer:

Thank you very much for your interest in the CALU Career Network, a career networking program coordinated by CALU Career Services and the Alumni Association. Your input and knowledge of your career field will be invaluable to students and alumni who are exploring career options.

You can register with the CALU Career Network alumni/employer mentor network directly at www.collegecentral.com/calu/, then follow these steps:

1. Click on "Alumni", then on "Mentoring Network", then on "Join Our Mentoring Network"
2. Enter the password (vulcan) and click "Access Mentoring Network"
3. Click on "Add My Mentoring Profile"
4. Enter the appropriate information, then click "Save Profile"

After you complete the online registration, students and alumni may contact you initially via e-mail to introduce themselves and ask you a few questions about your career or the organization with which you work. Your contact information will not be released to the student/alumnus until you choose to provide it. After that point, you may invite students and alumni to speak with you in person, host a job shadowing experience, or even host an internship or Co-op experience.

Please contact me at the phone number/e-mail address listed below if you have any questions. Again, thank you for participating in the CALU Career Network and helping to shape the future of CALU students and alumni!

Best Wishes,
