SUBJECT: MEETING REGARDING PARKING STUDY

Please accept this correspondence as an invitation to join me and my Cabinet members for a meeting on **Friday, June 13, 2008, at 9:00 a.m.**, in the President's Conference Room in Old Main. The purpose of this meeting is to present to you the recommendations of a parking study conducted at California University by Chance Management Advisors, a national consulting firm specializing in parking related issues including the construction, financing and operation of parking structures, and the development of effective parking and transportation policies. I also want to use this meeting time to give you an opportunity to express your opinions and thoughts about the recommendations and proposed plans which will be presented to you on that date.

I hope you will be able to join us at this meeting. If you cannot personally attend, please send a representative from your organization so that your union may be properly represented. Please indicate your participation to Mrs. Dee Stalvey via email (stalvey@cup.edu) or by phone (X4400).

Thank you for your attention to this matter. I look forward to seeing you on June 13th at 9:00 a.m.
