

Angela Burrows – June 21,2010 - Announcement: Additional Helpful Information

Hello,

Staff members who are registering for parking should make sure they select the correct staff option -- bargaining unit employee or manager.

Several of you have asked, "What happens if I don't pre-register?"

Those who don't "pre-register" will be unable to "register" for parking during the registration window -- Aug. 2-11. "Registration" for those who have not "pre-registered" will be possible only after Aug. 11 and only remaining spaces will be available to these folks.
