

Angela Burrows – July 20,2010 - Announcement: Points of Clarification

Hello,

We've received a number of questions on this issue, so this communication is intended as a clarification.

As you know, the registration window for parking opens on Aug. 2.

If you have pre-registered, you will receive an email notice in advance of Aug. 2 letting you know which of your preferred lots have spaces available. Beginning on Aug. 2, you'll be able to make your final lot selection and purchase your parking permit/RFID hang tag. The permit will be mailed to the address you provided on the pre-registration form.

Please note that not everyone who pre-registered will receive their email notification on the same day, but, as stated, you will be notified before Aug. 2.

If you did not pre-register, you may go to the parking webpage and choose to add yourself to the waiting list beginning on Aug. 2. From there, you'll be able to select from up to three lots. Once you complete your request, you will be placed on the wait list.

The parking website is accessible by going to directly to <https://parking.calu.edu> and also is available via the University's main website at www.calu.edu
