

Angela Burrows – July 30,2010 - Announcement: Parking Update

Dear Colleagues,

As you know, parking registration and permit purchases will begin on Aug. 2. Those of you who pre-registered will receive an e-mail on Aug. 2 — which is later than expected — letting you know where spaces are available among your preferred lots. You will not be able to register and purchase a permit until you have received the e-mail.

The e-mail notification also will let you know how much time you have to purchase the permit. If you do not purchase the permit prior to the "expiration date," you will have to go through the wait list process to purchase a permit.

Those of you who have not pre-registered will be able to go onto the parking website at [www.calu.edu/parking](http://www.calu.edu/parking) and place your name on the waiting list, provided you wish to park on the main campus or at Roadman.
