.....have complete knowledge of and agree
to the student's proposed enrollment for this semester at California University of Pennsylvania.

.....
Parent or Guardian

.....
Date

.....
Parent or Guardian

.....
Date

Please note: This form must be completed for each semester – special clearance is desired. Failure to complete this requirement will void the registration. All students receiving special admission clearance are classified as non-degree/non-matriculated students. Grades will be generated and placed on file, but an official transcript will not be developed until the student has completed the requirements for secondary school graduation, or the G.E.D.. An official application for admission with all appropriate materials must be completed at the time of secondary school completion to change the student's status and generate an official transcript.
