

Summer 2011 Financial Aid Application

Students wanting Financial Aid for Summer 2011 must return this form to the Financial Aid Office after completing summer course registration. You must also complete your **2011-2012 Free Application for Federal Student Aid (FAFSA)**. **PLEASE NOTE:** The aid you receive in the Summer Semester may have an impact on the amount of aid you can receive for the following Fall and Spring Semesters. For example, if you request a Federal Stafford Loan and your maximum eligibility is \$3,500 for the year, your loan will be divided equally among the three semesters (Summer, Fall, and Spring), awarding approximately \$1,167 each semester.
