- An official high school transcript and, if applicable, a copy of a GED certificate and scores
- Official SAT or ACT score(s) from an official testing source or on an official high school transcript

Your application for transfer admission consideration must be accompanied by the following:
- Application for admission (either hard copy or electronically at www.calu.edu)
- A nonrefundable $25 application fee payable to California University of Pennsylvania
- An official high school transcript and, if applicable, GED certificate and scores (this requirement is waived for students who hold associate or higher degrees)
- Official copy of your SAT or ACT scores (this requirement may be waived for those two years out of high school)
- Students must declare on the application and request that official transcripts be submitted to the Office of Admissions from all post-secondary institutions attended at the time of acceptance. Students will not be granted transfer credits from other institutions after acceptance.
- Letter(s) of recommendation (optional)
- A personal essay (optional)
Transfer student admission decisions are made primarily on the basis of college-level academic performance.

INTERNATIONAL STUDENTS
If you are an international student, please do not complete this form. Instead, contact Admissions for an international student application or apply online at www.calu.edu.

Additional departmental requirements:
Some departments require additional information beyond that described above.
- Commercial Music Technology: Students must test and audition for admission into the Commercial Music Technology program.
- Education and Nursing: These majors have higher GPA requirements for program admission. Students who do not meet these requirements may still be considered for admission to another major, and this will be communicated to you by an Admissions counselor.
- Education: Transfer students must meet the GPA for Education Admissions Matrix.
- Nursing: All nursing applicants must begin the program during the fall semester. Due to limited capacity and the high interest in the nursing major, this program is highly selective. We encourage students to apply early in order to maximize consideration for admission.
