Come take a look. Walk with us. Talk to us. Experience the world of possibilities that Cal U has to offer.

We’re a close-knit community, at home in more than 40 academic buildings, performance spaces and residence halls, each one designed with teaching and learning in mind.

We’re also an arboretum campus – a carefully cataloged collection of more than 500 trees and shrubs representing over 100 species, including a sampling of nearly every tree indigenous to Pennsylvania.

From the Quad to the Convocation Center, from the Ceramics Labs to the Library, and from Old Main to Hamer Hall, you’ll find the comfort, character and culture of Cal U is something to believe in.

Your first stop is the Welcome Center, in the Eberly Science and Technology Center. (If you register in advance, we’ll set up a free parking space out front.)

This is the place to pick up literature about the University and start your campus tour.

While you’re visiting, spend some time admiring the sculptures on campus. Check out the library or grab a bite to eat.

And don’t forget to ask questions. We’ll be happy to tell you more.
