## MSN in Nursing Administration and Leadership

### Program Description

The Master of Science in Nursing (MSN degree) in Nursing Administration and Leadership is designed for those who have already obtained a baccalaureate degree in nursing. The MSN program is intended for nurses who:

1. Currently hold administrative or leadership positions and wish to complement their experience through advancing their education formally, and
2. Wish to gain knowledge and skills needed to expand their career options in the area of nursing administration and leadership in a variety of healthcare settings.

Upon completion of the MSN in Nursing Administration and Leadership program, graduates will be eligible academically to take one of the national certification exams for nurse administration offered by the American Organization of Nurse Executives (AONE) or the American Nurses Credentialing Center (ANCC).

### Program Coordinator

Dr. Nicole Evanick
