

# Accelerated Bachelor's-to-Master's Programs

---

## B.S.B.A. in Accounting to MBA

### Program Description

The Bachelor of Science in Business Administration (B.S.B.A.) in Accounting degree prepares students to use modern accounting methods and information systems. Qualified undergraduate students in the Accounting program may be eligible to participate in the accelerated B.S.B.A.-to-MBA program, which enables them to take graduate courses that apply to both their bachelor's degree and (thereafter) a MBA degree with a concentration in Accounting, Applied Economics, Business Analytics, Healthcare Management or Management.

The MBA program at Cal U hones decision-making and leadership abilities while also building specialized knowledge in a concentration area.

Through the accelerated program, students can complete both degrees at Cal U with a total of 144 credits.

### Program Coordinator

Dr. Stephanie Adam

### Curriculum

The following curriculum shows the requirements for completing the Accounting bachelor's degree under the accelerated B.S.B.A.-to-MBA program. Additional graduate-level courses are required to complete the master's degree; refer to the graduate academic catalog for these requirements.

---

## Additional Requirements

Undergraduate students in the accelerated program may register for no more than 6 graduate credits in any one term, and in terms when a graduate course is registered, the student may not register for more than 18 total credits.

It is the student's responsibility to apply and meet the qualifications of the graduate program portion of the accelerated program. Failure to follow through with enrollment in the accelerated graduate program will result in additional undergraduate credits to complete the bachelor's degree, as outlined in the Undergraduate Credit for Graduate Courses policy.

Additional accelerated program requirements may be found at: [https://www.calu.edu/inside/forms/\\_files/academic-affairs/accelerated-program-application.pdf](https://www.calu.edu/inside/forms/_files/academic-affairs/accelerated-program-application.pdf)
