

Accelerated Bachelor's-to-Master's Programs

B.S. in Business Administration to MBA

Program Description

Cal U's B.S. in Business Administration degree builds a core understanding of business. Qualified undergraduate students in the Business Administration program may be eligible to participate in the accelerated B.S.-to-MBA program, which enables them to take graduate courses that apply to both their bachelor's degree and (thereafter) a MBA degree with a concentration in Accounting, Applied Economics, Business Analytics, Healthcare Management or Management. (The MBA program at Cal U hones decision-making and leadership abilities while also building specialized knowledge in one of these concentration areas.)

Through the accelerated program, students can complete both degrees at Cal U with a total of 144 credits.

Program Coordinator

Dr. Stephanie Adam

MBA Business Electives

- ACC, BUS, ECO, ENP, FIN, HRM, MGT, MIS or MKT courses 500-level chosen in consultation with adviser (6 credits)

Program Notes

- Students who complete dual undergraduate degrees, dual undergraduate majors or dual undergraduate business concentrations do not have to complete a minor or certificate. No more than 6 credits of any internship course may be applied to satisfy the major requirements. Additional internship credits may be applied to free electives.
- Students can apply for admission to the Accelerated Program after completing at least 60 credits.
- This curriculum applies to MBA concentrations in Accounting, Applied Economics, Business Analytics, Healthcare Management and Management.

Additional Requirements

Undergraduate students in the accelerated program may register for no more than 6 graduate credits in any one term, and in terms when a graduate course is registered, the student may not register for more than 18 total credits.

It is the student's responsibility to apply and meet the qualifications of the graduate program portion of the accelerated program. Failure to follow through with enrollment in the accelerated graduate program will result in additional undergraduate credits to complete the bachelor's degree, as outlined in the Undergraduate Credit for Graduate Courses policy.

Additional accelerated program requirements may be found at: https://www.calu.edu/inside/forms/_files/academic-affairs/accelerated-program-application.pdf
