The institutional policy will appear on California University of Pennsylvania’s Registrar and Office of Veterans Affairs websites and the University catalogs, and a hard copy will be placed on file in the Office of Veterans Affairs.

“Veteran students” who meet the requirements for course scheduling preference will be permitted to register during the first registration opportunity. Those students who are currently identified as “veteran students” will receive priority registration through the “Vulcan Information Portal.” “Veteran students” who are eligible, but not identified by California University of Pennsylvania as “veteran students” must notify the Director of Veterans Affairs at least two weeks prior to priority registration at veterans@calu.edu or 724-938-4076.
