## **POLICY: Faculty Profession Development**

### **A. Purpose & Scope:**

Faculty are encouraged and supported in efforts to enhance professional development in teaching and learning, service and service learning, research and creative activity, and technology.

### **B. Definition(s):**

Faculty Professional Development is overseen by a committee and supported by a Faculty Professional Development Center with a Center Coordinator. The Faculty Professional Development concept and general structure are reinforced by PASSHE Board of Governors Policy and a Faculty Professional Development Council at the System level.

### **C. Policy:**

The Faculty Professional Development Center is the major facilitator of faculty professional development for the university. The Center works within the purview of a Faculty Professional Development Committee.

### **D. Procedure(s):**

For specific procedures, faculty should consult the Faculty Handbook or contact the Faculty Professional Development Committee, Center or Center Coordinator directly.

### **E. Effective date:** 2005 Faculty Handbook

**Updated date:** August 15, 2010
